Guidance for full opening in September

This week the Department for Education published guidance for schools with the intention that all pupils, in all year groups, will return to school full-time from the beginning of the Autumn Term. The final decision on the re-opening of schools will be made on August 11th 2020 and it will be based on the state of the Coronavirus pandemic on that date so please continue to check your correspondence from school over the summer holidays.

To open I will still be required to have in place a thorough Risk Assessment and part of this may involve staggered start / pick up times and adjustments to our usual practice in school. A lot can depend on the possibility of a local lockdown but I want to ensure continuity of education and staff are working hard to make sure contingency plans are in place for their classes.

School will close on 21st July 2020 at lunchtime. We will not be open throughout the summer holidays for any pupils. At the moment I am awaiting clarification from the Local Authority about our confirmed return date in September and as always I will keep you up to date as soon as I receive the information.

Have a great weekend,

With best wishes

Miss D Ridyard

Headteacher
